Thanks for filling out [CPE101- Computers and Computing for Engineers \(2017/2018 Session\): Test II](#)

Here's what we got from you:

[VIEW SCORE](#)

CPE101- Computers and Computing for Engineers (2017/2018 Session): Test II

Online Test II

Email address ***Your Surname *****Your Other Names *****Your Department ***

- ABE
- CPE
- CVE
- EEE

- MEE
- MME
- MTE

Characteristics of a computer includes

- Reliability
- Storage
- Hardware
- Automation
- Adaptability

ENIAC belongs to the ____ generation of Electronic Computers

- 4th
- 3rd
- 1st
- 2nd

DEC VAX-780 belongs to the ____ generation of electronic computers

Separate answers with space or comma

- 2nd
- 5th
- 1st
- 4th
- 3rd

Disadvantages of the PC includes

- Costly to maintain
- fragile
- huge storage
- cooling system might be required
- versatility

One of these is not an example of a primary memory

- RAM
- Magnetic tape
- Register
- Cache
- ROM

The following are computer programming language translators except

- Compiler
- Assembler
- Debugger
- Interpreter

Resources shared on a Computer Network includes

- Documents
- Printers
- Software
- Keyboard
- Internet
- NIC

Protocols that can be used on computer networks includes the following except

- IP
- TCP
- ARP
- AGP
- UDP

DHCP means

Dynamic Host Configuration Protocol

ARPANET is an acronym for

Advanced Research Projects Agency NETWORK

Wireless computer network can be transmit using the following except

- UV light
- Gamma ray
- Bluetooth
- optical fibre
- infrared light

Bus topology is to peer-to-peer architecture as Star topology is to _____ architecture

- Tree
- Client- Server
- Hierarchical
- Mesh

PAN, CAN, LAN, MAN and WAN are types of computer networks by _____

- transmission medium
- network topology
- geographical scalability
- functional relationship

Hardware components used in computer networking includes

- Patch panels
- Routers
- Firewire
- Hubs

The basic security concepts important to information are

- Confidentiality
- Integrity
- Authorization
- Authentication
- Availability
